DEEP ELECTRO LOUNGE 2 brings more modern, atmospheric and laid-back vibes in the form of construction kits to help you to create a mix of electro-lounge music merged with Dance, Jazz, Funk and R&B influences. You'll get 30 construction kits and each kit is provided with the BPM and presented with a full mix and it's component parts. You'll get a total of 211 melodic and rhythmic loops containing beats, basslines, synthlines, pad melodies, guitars, electric and acoustic pianos, strings, organs... These loops can be used together to create complete tracks, or they can be used individually to serve as a foundation or embellish already existing tracks. DEEP ELECTRO LOUNGE 2 is perfect for any Deep Electro, Ambient, Lounge, and Chill Out producer looking for some inspirational melodic and rhythmic elements.
