How Would You Know if Your Dog was Silently Suffering? What Would You Do in an Emergency? Are You REALLY Giving Your Loyal Pet the Care it Deserves? Dog Care and Training - Proper Care for Dogs Dear Dog Owner, Did you know that common ailments can shorten the life of your pet if left untreated? Left unchecked your dog could develop serious health conditions rotting teeth, skin disease and weight problems to mention just a few. These could lead to infection and disease that could kill your pet or cost hundreds or thousands of dollars in veterinary care. Learning how to properly care for your dog can prevent serious problems and help you spot trouble while its still easily treatable. Our dogs are our best friends, however, since they dont talk it is easy for us to miss problems unless we have been regularly caring properly for our pet so that we are familiar with their bodies and reactions. Often the first signs of trouble can be detected during grooming and regular care. Even better, with proper prevention you might save your dog from ever suffering from common disease and parasites. Its all up to YOU! Your Dog Gives Would Give His Life for You Now Find Out YOU Can Do for HIM When you first brought your dog home, whether he was a puppy or adult and whether he was in perfect health or not, you made a commitment to care for him or her. Your dog loves you and would put his life on the line to protect you. What have you done to protect your dog and give him the best life possible? If you are like most people you admit that there are basic needs that you must provide for your pets. But do you know WHAT your dogs needs are? How are you going to provide the proper care if you dont know what to do? Theres more to caring for your dog than simply taking him to the vet for shots and feeding him every day. Quality of life includes proper training and socialization so your dog is a pleasure to have around. Since your dog derives no greater pleasure than your company it is very important that you trust and enjoy his company

even when children and other dogs are around.
