

Mp3 Keith Gehle - Winter Song

[DOWNLOAD HERE](#)

"Wintersong" is a cycle of contemplative instrumental pieces that many listeners find similar to the works of pianist George Winston and guitarist Andrew York. 20 MP3 Songs NEW AGE: Meditation, CLASSICAL: New Age Details: Even as a young boy, Keith Gehle knew he wanted to be a professional musician. Today he enjoys a successful career as a concert guitarist, recording artist, composer, and teacher. Keith began his performing career in the late 1980's with a simple philosophy: advance the art of guitar performance through diverse music that appeals to a wide audience. His many musical experiences (from rock to classical, folk and flamenco) have produced an artist with a perspective and style that is unique in the world of classical guitar. Recordings include Keith Gehle - Guitarist (1999), Winter Song (2002), and Nocturne (2003). Keith's newest recording, Songs of December, will be released in the fall of 2006.
