Revved up Rockabilly and High Octane Rock n' Roll 10 MP3 Songs ROCK: Rockabilly, ROCK: Roots  
Rock Details: ABOUT THE CD This is Buddys second solo project for Golly Gee Records following on his popular hot rod instrumental release of "Hot Rod Surf". "Rev It Up!" was recorded at Mark Neills famous Soil of the South studio 1950s style cut live to 1-inch tape on Studer decks, with vintage mics and gear. The songs range from the Sun-style "Love My Gretsch" to the Teddy Boy rocker "Velvet Collar, Iron Fist" to the gothabilly "Vampire Girl" on to the insane psychobilly of "Demons Got A Motorcycle". This record grabs you by the nads right from the start and doesnt let go for the next 30 minutes this what rock n roll is all about Baby! ABOUT THE BAND Buddy has been playing in the Orange County based neo-rockabilly band The Hot Rod Trio since 1991. The Hot Rod Trio have released three CDs of their own variety of Hi-Octane rockabilly. Buddys inspiration spans the rock n roll spectrum from Gene Vincent to The Stray Cats and beyond. He is a regular fixture in the SoCal hot rod scene and he and his band have been featured in CK DeLuxe and OI Skool Rodz as well as on Hot Rod TV. Make sure to also check out Buddy's "Hot Rod Surf" and the Hot Rod Trio "Live!" here on CD Baby.
