The studio is electric, The sampler is cooking, the drums are pounding, cyphers are flowing and you need that one final subtle ingredient to finish off that hot new beat. What do you do? You reach for the Blunted Atmosphere keyboard loop pack and use one of the hundreds of chilled pads, sweet piano loops or synth lines to give your beat or music project that professional edge. Mix and match em, use them individually, perfect for remixes as well as original compositions, the choice is limitless! Yo, don't think this amazing collection is limited to just background harmonies and melodies though. because within this pack there are loads of RZA style keyboard loops, RJD2 influenced weirdness, MF Doom style atmospheres, soaring orchestra sweeps and so much more. The perfect keyboard and synth sample loop collection for the more thoughtful and creative Hip Hop producer... *Underground Synth Loops *Spooky Lush Pads *Emotive Chord Progressions *Melancholy & Thoughtful Lead Lines *Atmospheric Film Score Type Samples *Unique Orchestra Sweeps *Both Modern & Vintage Keyboards Used *Tweeked & Twisted Top of the Range VSTi's Loops We cant even begin to emphasise how important subtle keyboard harmonies and melodies are during the process of beatmaking. Its all to easy just to concentrate on the drums, bass, main melody and vocals but what about the sounds and textures that sit low in the mix but give your beats the professional sound you need? Use these loops and listen to how effective they can be in your mixes.
