Membership Goldmine Video Series MASTER RESALE RIGHTS INCLUDED! Kick Those Technical Roadblocks Out Of The Way And Discover How To Create Your Own Recurring Billing Membership Website! ..And To Finally Secure Your Cash Flow! You Are About To Learn.. - How To Secure A Stable And Consistent Income Online - How To Secure And Protect Your Membership Website - How To Set Up A Membership Forum And Much More.. Theres no doubt that Membership sites are profitable and that you can start a successful one, but where do you start? On the Internet and in the world around you, members-only clubs are sprouting everywhere, whether paid or free. This is because Membership sites generally provide access to something that is unique from other sites. They also build communities of people alike. In fact most people want to improve themselves, improve their business...you get the point. So theyre willing to join membership sites that help them do that. If you dont have a membership site already, its about time you start one. It doesnt need to be difficult at all. Starting a membership site starts with a topic that you are passionate about. You cant just go out and make a site without planning ahead. This video series is packed with quick shortcuts that will save you time, with high quality and detailed methods that youll be able to use for years to come. Here are the eight videos.. 1) Introduction - What You Need to Know to Get Started: [6 minutes and 31 seconds] Before you get started, its important to know what youre expecting first and what tools you will need to have before you started. Youll also learn shortcuts that will allow you to save time in the future. 2) How To Plan Your Membership Site Out [9 minutes and 22 seconds] Not having a plan in hand to organize your site and your goals will rip your membership site apart. In this video, youll learn how to plan ahead and how to organize your membership site so that you make the experience for your members a good one. Youll also learn how you brainstorm and take your membership topic and turn it into an actual site. 3) How To Set Up And Organize Your Download And Welcome Page [17 minutes and 18 seconds] Knowing how to setup download pages or pages in general from scratch is very important. We will presume that you have no prior HTML or web development knowledge so that even if you are a newbie, then this video would be for you. Youll learn not only the best way to organize your website, but to make them upload ready, which allows you to save

time when you upload your files to your web host. 4) How To Set Up A WordPress Blog [17 minutes and 27 seconds] Setting up a blog is going to be optional for your membership site, but believe me, you want to create some sort of interaction between you and your members or your members and other members. In this video, you will learn how to create a Wordpress blog from scratch, step by step of the way. 5) How To Set Up A Small Machines Forum [10 minutes and 50 seconds] Setting a forum allows your members to interact with each more frequently. In doing so, it also allows you to organize the answered questions easier than a blog sometimes. In this video, you will learn how to setup a nice looking forum quickly from scratch as well. 6) How To Install AMemberPro Membership Script [11 minutes and 29 seconds] In this video, you will learn how to setup the membership script from scratch. This is where it gets technical, and sometime it can be a big roadblock for some of you. Well it doesnt have to be so the video will go step by step through this process of installation, showing you quick and easy ways to set it up. 7) How To Create Products And Protect Your Files With The Script [8 minutes and 15 seconds] Creating products within your membership script settings is important. Youll learn how to do just that using the Amember pro script. Not only that, youll learn how to protect yourself from thieves that try to get into your membership site. Keep thieves out so you can keep your paid members in. 8) Putting It All Together And Testing [4 minutes and 6 seconds] Testing your membership site when its completed is always important. You wouldnt want a malfunctioning membership site on your hands especially when your customers are trying to hand you cash right? Then you lose money and you leave money on the table. Youll learn how you can do just that in this video. So...with that said, dont walk, but run. Grab this now and start creating rock solid stable sources of incomes with your own membership sites and take your business to the next level of success! You see...whether you are a newbie, technology phobe, or an experienced marketer, I guarantee that youll gain some great information from this simple and easy to understand video series. _____ Visit My Store For More Deals!!! ebooksheaven.tradebit.com _____
