-Elusive Magazine Halaas' playing seems to require a much louder, denser instrument than the acoustic piano -- and yet he makes due with it, playing with the same juggernaut intensity as Vladimir Horowitz"

-Intermission Magazine [Halaas] has transformed sound into a powerful art form, capable of forcing listeners to look deeply into themselves. -Stanford Daily Nobody plays with as much thunder and

imperative. -Amazonreview A great composer of our time. Michael easily ranges from ferocity to

tranquility with amazing adroitness. -Amazonreview A Brilliant Pianist" -Bayscene.com
