This "Dynamite Trends" system consists of a total of 6-steps, and they are: Step 1 Locate a Dynamite Trend Step 2 Research the Dynamite Trend Step 3 Set up a FREE blog for the Dynamite Trend with content Step 4 Monetize your blog for targeted traffic Step 5 Drive targeted traffic to that Dynamite Trend blog Step 6 Keep records of the previous 5 steps & profits from each Dynamite Trend Once you have create your first profitable Dynamite Trend, what you need to do is to rinse and repeat the steps outlined above to create your second profitable Dynamite Trend, so on and so forth, and see your income multiplying with every profitable Dynamite Trend you create. Now, allow me to give you a brief run-through on what each of these videos is about: Video #1 - An Introduction To The System By the end of video one youll understand how knowing the hottest keywords and phrases of the day can be both beneficial and profitable. Youll learn where to find Google Hot Trends and how to navigate its interface so that you can begin putting the top keyword searches of the day to work for you. Next, youll learn which phrases to look for and which ones to avoid and why. Finally, youre introduced to the first method that can be used to make money from these phrases which is pay per click advertising through Google AdSense. Video #2 - Writing Content For Your Dynamite Trend Once youve decided upon a hot keyword or phrase youre now ready to start writing content about that particular niche. In video two, youll learn where to look for ideas for relevant content. Once youve got some ideas it will then give you some guidelines on the proper length and layout for your articles. In addition, youll learn a few other methods of citing content which can help cut down on your writing time drastically. Video #3 - Creating A Free Blog With Blogger Armed with you keyword targeted article youre now ready to create a blog. In video three youll learn how to create and set up a free blog using Blogger.com. Once youve set up an account it will then take you step by step through the process of naming your blog, choosing a layout, and creating your first post using the article created in video two. Video #4 - Monetizing Your Blog In video four we take the blog we created in video three and learn how to monetize it, in other words use it to make money. First off, youll be shown how to

set up Google AdSense on your newly created blog. Next, you'll be taken step by step through the process of retrieving the code for the ads as well as placing them in strategic spots on your blog page. Now that your ads are set up your site is fully monetized and ready to be promoted. Video #5 - Driving Traffic To Your Blog In video five you'll learn how to promote your newly monetized blog. First, you'll learn how to create an account with Digg.com, which is basically a site used to promote news, videos, etc. From there you'll be taken through the process of setting up a link to your blog and writing a headline relevant to your blog's content. In addition, you'll be given the dos and don'ts of this process as well as shown some examples of common errors that people run into when promoting their site in this way. You'll also discover how to promote your blog through the use of RSS feeds! Video #6 - Driving More Traffic To Your Blog In video six you'll be shown another effective method of driving traffic to your blog. First off, you'll learn how to create an account with a site called Propeller.com. Next, you'll learn how to navigate Propeller and how to set up a link to your site in order to begin generating traffic. You'll then be introduced to another social media website called Delicious where you'll be shown step by step how to create an account and begin promoting your blog. In addition, you'll be taken through several other methods of promoting your blog through sites like StumbleUpon.com, SocialMarking.com, and Pingomatic.com. Video #7 - Milking The System In video seven you'll learn how to repeat the process by checking Google Hot Trends regularly for new keywords and updating your blog with a new related post. Once you've created the new post you'll just go back through the process outlined in earlier videos and promote the new article. This process can be repeated over and over each day as new hot keywords begin to turn up on Google Hot Trends. Video #8 - Royalty-Free Music For Content In the bonus video you'll learn how to find and utilize royalty free music for use in videos, presentations, podcasts, etc. You'll be shown how to sign up for a site called Jamendo and choose the appropriate type of music for your particular presentation. This is an invaluable resource for anyone getting started on the internet; you'll never have to pay for background or intro music again. For a very limited time only, I am going to let you have the Resell Rights license to the entire video course - Complete with all the video files, along with the complete product salesletter and download page.
