Take a little of Sade, Tracy Chapman, Desree mixed with a little Roberta Flack then you have Trese, already acclaimed for her talent in the likeness of these top chart-selling legendary artists. Trese music unveils a wealth of talent... the labour of a genuinely multi-talented Singer/ Songwriter. Shes a lady who knows precisely what she desires. And when necessary, she resorts to her overwhelmingly mesmerising charm to dictate the sort of response she expects. In view of her positive outlook on life and the way she so apply utilizes her tremendous gratifying propensities, shes ever so willing to make the sacrifices to attain her ultimate goal. Gentile and soft spoken, TRESE is someone who, with an ever cheerful disposition, skilfully tackles every objective carefully and quite cautiously, too. Shes an avid listener. She weighs every word uttered to her. And, replies calmly; with the uppermost degree of respect. Yet, shes by no means; the kind of individual anyone can attempt to walk over. Theresa Theophile (thats her real name!) born in Roseau Dominica, the nature Island of the Caribbean and now resides in London England, whilst growing up on the beautiful Island in the Caribbean, she listens to the likes of Sade, Tracy Chapman, Mary J Bilge, Whitney Houston, Anita Barker, Bob Marley, Michael Jackson, Bobby Brown, George Michael to name a few, some of the same superstars shes been compared to, but Trese distinctive voice, makes her unique. Something that is very uncommon in todays market. Shes able to express herself without doing what everyone else is doing. Read More.... go to treseonline.com/biography
