Announcing The Brand New, 9 Part, Step By Step Video Course, That Shows You ... How to Expand Your Business Growth by Outsourcing Your Tedious Tasks to Freelancers For Only 5 Bucks Each...Starting Today!" "This isn't just another video on theory, it's taken from true results..." Dear Friend, FACT: Outsourcing and hiring people is a sign that your company is growing. BIG PROBLEM: Outsourcing can become costly if you don't know how to do it right Wrong! With Fiverr's \$5 a job system, you can now outsource tons of tedious business tasks if you know how to use their system correctly. Obviously, it will not solve all your problems, but it can solve a lot of them. But you have to know what you are doing. You can't jump in with two feet, without knowing anything, or else you lose money and lots of time. That's where this video series comes in... Introducing... Fiverr Outsource Secrets 9 Part Video Course What can this video series do for you? Fiverr Outsourcing Secrets will show you how to outsource correctly, by hiring the right freelancers on Fiverr. There are tons of people you "could" hire, but to be truthful, a lot of them aren't the ones you want to hire. In fact, a lot of them will just waste your time. Think about it, if you are running your whole business, it can only grow so much. By hiring or duplicating yourself, you can expand and grow your business. The positives are, you can focus on the core activities, such as running your business, and give the tedious tasks to your freelancers. If done correctly, you will have savings and reduce overheads. This step by step, 9 part video series, takes you by the hand and shows you how to correctly outsource your business tasks using Fiverr. Here's a list of this 9 part video series in more detail Video #1 - Introduction and How to Use Fiverr In this video, you will be given an overview of this 10 part video series, so you know what to expect. We'll also tell you what tools you will need and what you need to understand (concept wise), and how it all works. I'm a big believer in doing this first, so you know what to expect and how all the pieces of this outsourcing system, fit together. It is also wise to know what you need to outsource before you jump right in. For example, what takes the most time? What are the most tedious tasks? You need to think about the basics first. That's what you'll tackle in this video. Video #2 - Key to Finding Good Fiverr Freelancers and Avoiding bad ones The biggest mistake people make, is jumping in with two feet without knowing how to find good freelancers. You see,

not all freelancers were made equal, so you need to know what you're looking for while you outsource. 5 bucks may not be a lot, however it will add up and without doing it correctly, you could also waste time. Time is money. Video #3 - Article Writers / Researchers There are a few specific methods I use to sift through all of the article writers on Fiverr to find the best one. You'll learn these methods in this video. We'll also dive into finding researchers, people that can do the tedious research for you, especially when you are writing the content yourself, creating the content, creating a product, and much much more. Video #4 - Social Bookmarking Social Bookmarking is very easy, and anyone can do it. BUT it can often be a tedious time consuming task. In the end of the day, Social Bookmarking works great. It helps you get indexed into Google and other search engines fast and gets you the targeted traffic you need. However, you'll want to find someone to outsource this to and you can get do it for five bucks here and there. At Fiverr, there is a way to find good social bookmarking freelancers and you'll learn just that in this video. Video #5 - Social Networking / Facebook Fan Pages Social Networking is booming. In this video, you will learn how to use Fiverr freelancers to run your social networking such as Facebook Fan Pages and much much more. Some of these tasks are a little more technical, so if you are not technical savvy, then you'll definitely want to pay close attention to this video. Video #6 - Backlinking / Profiling And Avoiding Spammers In this video, you will learn how to outsource your SEO, backlinking, profiling, and more. You will also learn how to avoid spammers. Spammers? Yes, there are a lot of illegitimate people on Fiverr and you don't want to accidentally pay them 5 bucks. I've been there and done that. Video #7 - Graphic Artists and Video Editors For five bucks, you can get really good graphic artists to create your logos, business designs, and so forth. And if you know how to find them correctly, which you'll learn in this video...you will be able to save a TON of money. We will also dive into video editors. Video editors are a hard breed to find, at least the good ones. However being a video editor myself, I will show you how to find them. Remember, a lot of people will claim to be what they are not, just to make an extra five bucks, so you'll definitely want to avoid them. Video #8 - BONUS - How to turn a freelancer into a long term assistant If you want good long term results, you will need to understand how to turn a fiverr freelancer into a long term assistant. I've taken freelancers who did a great job, and given them tons of jobs on fiverr. Keep in mind however, that fiverr protects your identity, so you can still use the freelancer for long periods of time; you just need to find that freelancer who does their job on a consistent basis...so you know they aren't going to run away. Video #9 - BONUS - How to negotiate cheaper deals and make a

freelancer happy 5 bucks is already cheap. But there is a way to negotiate cheaper deals on fiverr, and still make the freelancer happy. If you want good results from your freelancers while saving money, there are a few tricks left in the bag. Obviously, I won't reveal them now, but these simple and easy tips can be the difference between you saving time and money. More on that in this video. Now that you've seen how powerful this 5 bucks outsourcing system can be for you...grab this video series now and learn how to outsource your tedious business tasks, to expand your business! P.P.S. In this 9 part video series, you get to watch step by step how to find the right freelancers that will grow your business. So grab your copy of "Fiverr Outsourcing Secrets" Video Series, Now!
