

Mp3 Various Artists - Powerful Vibrations Of Lord Ganesh

[DOWNLOAD HERE](#)

South Indian classical music is known as Carnatic music. It is melody-based and not symphony-based viz. Songs are composed as multiple tracks for multiple instruments to play together, but for a single artist (vocal or instrumental) to showcase. 7 MP3 Songs WORLD: Asian, CLASSICAL: Traditional Details: Ganapati, the God of Good Beginnings confers success, wealth and knowledge on devotees. Millions of devotees seek the elephant-faced lords grace before embarking on any endeavor and find their actions capped with victory. Ganapati is the greatest benefactor of humanity. Ganapati helps mortals and celestials to overcome all obstacles and attain victory. Ganapati confers wealth and other boons on devotees (varapradam) Ganapati blesses the devotee with spiritual progress, being established at Moolaadhara, the yogic chakra at the base of the spinal chord. Ganapatis very form represents the Pranava, or Omkaara, the single most potent mantra of the Vedas. As such he is extremely powerful. Ganapati who is also called Vinayaka, the supreme, Lambodhara, the god with the big belly, Vigneshwara, the god who destroys obstacles, Vakrathunda, god of the curved trunk (signifying removal of illusion) is always well-disposed to devotees and confers blessing magnanimously. The vibrations of victory that vinayaka confers are embodied in the masterpieces of great composers like Muthuswami Kikshithar. These have been recorded here by the masters of the naagaswaram and thavil, the south Indian instruments that spell auspiciousness, and of the veena, violin and flute, instruments greatly suited to reflect the subtle nuances and graces of Carnatic music. This album that brims with potents intimations of Ganapatis positive vibrations is sure to enliven your life and further your progress.
