Eddy Harrison sings old time gospel music Campfire Style 23 MP3 Songs GOSPEL: Country Gospel, SPOKEN WORD: With Music Details: Eddy Harrison has been singing and writing cowboy and gospel music for 50 years. I gave my heart to Jesus at a little country church revival when I was only seven years old. I loved to listen to all those old gospel songs and sing along and it is still my very favorite thing to do. This album is a collection of 50 years of performing and writing Gospel music. I wrote 2 of the songs on this album. I recorded with the Great Stuart Hamblen and have included 2 of his songs It Is No Secret and Ole Pappy's New Banjo on this album, along with Stuart K Hine's How Great Thou Art, Kristofferson's Why Me Lord? and Thomas Dorsey's Peace In the Valley. I have always prayed to God before performing, to let me touch just one heart. It would be my great pleasure if you would let me touch yours.
