Description : The Roland XV Series Synthesizer Sample Collection is one of our exclusive sample packs. These high-quality audio samples are perfect for all your projects. After hearing these samples, you'll wonder why you wasted your money on all those other products. And with our fast delivery, you can start getting inspired right away (see shipping section for details). You won't find a better value or price for this kind of quality anywhere else! This pack includes one of the largest collections of Roland XV Series Synthesizer samples on the market today! All sounds are totally uncompressed and sampled across the full range of the keyboard. You'll get a fantastic pack of 48 Soundfonts that will complement any style of music! That's over 700 MB! You can't lose with this library of great sounds! With over a decade of experience in sample production and composition, our company is dedicated to outputting quality sounds for the modern producer. You will not find this combination of price, value, and quality anywhere else. These are the highest quality Soundfont samples that you will find anywhere. Last but not least, we're throwing in a VST Soundfont player sampler (Windows only), so you won't need anything else to start using these awesome sounds!
