

Prime Loops R&b Royale

[DOWNLOAD HERE](#)

"R&B Royale Grooves is the latest release from Prime Loops designed for producing smooth R&B and Hip Hop rhythms and melodies. Included in this sound suite, which contains over 180 RnB loops, is a variety of original R&B loops complimented by 11 Full Groove/melody songs, The Groove loops section is set out in 2 folders, 80Bpm Grooves, and 90Bpm Grooves, each Melody/Groove folder contains a demo mix, and all the individual parts of each groove, for example matching drums, orchestra strings, rhodes, piano loops and so on, which mix seamlessly together and can be arranged, layered and remixed any way you wish. The next section of R&B Royale Grooves contains a wide variety of single loops to add even more inspiration, all of which sync perfectly with the grooves and give you even more opportunities to create new musical combinations and rhythms. We are very proud of this new producer package, if youre looking to create rich, orchestral and musical R&B or Soulful Hip Hop Beats, look no further, this amazing collection of new-skool and vintage loops is the real deal, and delivers a solid production package of new RnB melody tools."
