Digging Vinyl Drums & Breaks Libray If you're looking for the real deal of vinyl drums & breaks: This library is for you!!! All sounds are exclusively chopped and sliced from vintage vinyl 70's 80's This collection is the original drums samples source of these platinum producers: DJ Premier, Marley Marl, Pete Rock, Muggs, RZA, The Alchemist, Havoc, Kanye West, just blaze and more... This library is also a great toolbox for any trip hop, Dubstep, jungle and abstract beatmakers!! Content of library: 1500 Vinyl Breaks 2553 Vinyl kicks 1822 Vinyl Snares 1385 Vinyl Hats 130 Vinyl OpenHats 53 Vinyl Toms 57 Vinyl Fxs Total: 6500 samples (500 vinyls breaks & 6000 vinyls drums) wav files 16 bit/44 compatible with all hardware and softawre that reads wav files. A tip for young beatmakers: "Sample them on your 12 bit Ensoniq EPS, Akai MPC60 or E-Mu SP1200 and make them sound phatter and dirtier!!! There are toy beatmakers out there that say they have 10,000 and 10,000 snares... In reality, established producers only use about 10 to 50 BDs, 10-50 SNs and so on.. and they just recycle them and change their library maybe every other season or on every other project they be working on, I've seen this in studios... Beatmakers using only 10 BDs and 13 SNs and maybe 10HHs for a whole album... They just EQ them and compress them differently on each track... With this little indusrty secret this collection will last you for many many projects/records. Just copy-Paste into another folder the drums you like and use most. Make other smaller drum kits out of these drums. By customizing this drum collection you will get familiar with the big amount of drums we offer. We advise you to use the same kits you've created over and over for a period of time. This way you will get familiar with the enormous number of drums and you will have your own signature on the beats you make. Cos thats the key! Use the same sounds through a period of time and your style will be noticed in your hood, your city or the network youre about to build!!! Import them on your MV8000, MPC1000, MPC2500, MPC5000, Motu bpm (VSTi) or any other hardware or software sampler and you have crystal clear drums along with the thickness and crispiness of these drums!!! All are guaranteed to rock you."
