Ultimate Productivity Video Series with Master Resale Rights + Special Bonus If You're Struggling To Get The Most Out Of Your Day And Think You Have To Work Harder To Become More Productive... Then This Will Be One Of The Most Important Sites You'll Visit Today! Here's a more detailed look at my step-by-step course: Video 1 - The Power Of One Working alone and starting your own business from scratch with little certainty of the future is very daunting. I expect you to be like most people who are just starting out - scarce resource in both time and money. "The Power of One" reveals breakthrough methods to empower yourself to focus your efforts for effects - trade effort for amplified results. Video 2 - Managing Yourself How to set priorities and time management for your business game plan Eliminating 'time vampires' - how to get rid of counter-productive tasks and activities that do not empower you to build a profitable business and yourself as an entrepreneur! Accountability Partner -how to find a person or people with like-minded goals you can work with on a synergistic level And much, much more! Video 3 - Acquiring Productive Skills How to get more hours in a day - find out how you can speed up irreplaceable tasks like reading, writing and any effort that leads to building the bricks for your online business. Discover the 80-20 rule and what they are when it comes to your personal life, social life and business life! Video 4 - Reward, Rinse & Repeat Why and how to reward yourself with rest every now and then why the idea of "working hard for almost a year and going vacation for 2 weeks" is an obsolete idea - and embrace the mindset of the "new rich" aka mini-retirement plans! But That's Not All! Owners of rapidly expanding businesses usually fall prey to having the lack of time. If you work alone or in a small group, how would you like to multiply the results you enjoy today? And in the process spend less effort, time and money? And do it without hiring more permanent staff on payroll, eating into your monthly profits? Outsource Synergy is a 3-part extension course that shows you how to use your current resources mainly to leverage on freelancers and virtual assistants to build your business more intelligently so you can: Automate or semi-automate your online business without the need to involve yourself in the process, Get more work done, and Make more money! Video 5 - The Power of Leverage What LEVERAGE is in business terms, and what it means to an entrepreneur Why it is more important for an Internet Marketer

or one-man entrepreneur to use leverage since he is working alone How to intelligently duplicate yourself throughout business whether its a small business or big business Video 6 - Assessing the Costs & Benefits of Your Outsourcing Venture Not good with numbers? Here is an easy step-by-step formula I divulge in assessing your costs and returns before you even start outsourcing segments of operations within your online business. This will show you how to keep your expenses to a bare minimum and still within your tight budget. Video 7 - The Outsourcing Life Cycle Defining Your Scope Where to Find Your Freelancers/Suppliers How to Select Your Freelancers/Suppliers How to Manage Your Freelancers/Suppliers Closing the Deal with a Contract Progressive Checks and Final Handover You're Fully Backed By Our 60 Day Hassle-Free Guarantee!
