A creole voice of blues mixed with the colors folk; rhythms of the world and traditional; deep lyrics which evokes any social condition 11 MP3 Songs WORLD: World Beat, ROCK: Roots Rock Details: With the paddle of the year 2000, San appeared with the public thanks to the Sokute group, who proposed already a new musical concept combining to soul music at the Haitian rhythms. With Sokute, it knew many experiments of scene in Port-with-Prince: Caf Des Arts, French institute of Haiti, Roots Rock Reggae, Rolling Stone Caf ; in Miami : Roots and Culture Festival ; et surtout au Canada : Francofolies de Montral, Festival Vues DAfrique, Clubs Balattou et Zest. For these ten years of career, San came to present a new facet of the Haitian music to us. San returns now on the scene of the world music with its new band, SAN GRIOT SPIRIT .This name refers, of course, to the musicians traditional poets and story tellers from of the African continent. It also fits in the line of the Haitian indigenism and the return to the roots of the Haitian culture. Indeed, it is in its roots that San draws its new inspiration to create a hybrid music(Afro american beat-Roots rock reggae- tented of funk and blues creole) The sound of GRIOT SPIRIT is just UNIQ
