Mp3 Shirley Scott - Telepathy & Animal Communication

DOWNLOAD HERE

There's always a conversation going on, be it verbal or telepathic, either with yourself or others. If this was not so, the brain would be dead and so would you. Learn how to tap into this conversation. 5 MP3 Songs SPOKEN WORD: Instructional, SPOKEN WORD: Audiobook Details: Shirley Scott is an internationally know clairvoyant, animal communicator and spiritual teacher. Shirley's near death out-of-body experience brought forward her telepathic and clairvoyant skills. She has continued to study and lean about Spirit and energy and teaches others how to become animal communicators and work with the Universal energy system. Her speaking engagements have included Holistic fairs, the Phoenix Exotic Animal Assoc., several churches and other spiritual events and workshops. She does readings on animals, humans and crosses the veil to talk to our loved ones who have crossed. Her classes include personal development, grief support, self-healing, how to become an animal communicator, helping you with your thought process and patterns, and she practices aura healings and Quantum-touch. Shirley beleives in helping people help themselves. Searches:Free Animal Telepathy MP3
