

Mp3 Don Grzanna - Accordion Music

[DOWNLOAD HERE](#)

Western European accordion polka music 18 MP3 Songs WORLD: Western European, WORLD: Polka
Details: This CD is a collection of waltzes, polkas, latin and other styles of music in a near semi-classical style featuring the piano accordion. Music is available from the Don Grzanna website for performers and teachers of music. Some of these compositions have been used as accordion solos in TV shows and some films. This is quality melodic sounds that you will enjoy listening to and the technique involved does add to the performance. Many people have told us that they often enjoy listening to this album while they are in their car. This CD is a real treat. Don Grzanna is a well known performer in Milwaukee, Chicago, New York area, and all through Europe. He has a degree in accordion performance from the Rizzo School of music in Chicago, a music composition degree from the Rudolph Ganz Chicago Musical College at , Roosevelt University, and a Master's degree from Roosevelt University also.
