

Mp3 Port Said - Eve Of Departure

[DOWNLOAD HERE](#)

A varied collection of pieces utilizing analogue and acoustic sound sources, which explore the band's trademark themes of travel to fantasy locations and visual mind excursions. 13 MP3 Songs

ELECTRONIC: Soundscapes, NEW AGE: Ambient Details: Thirteen recordings showing a wide variety of musical influences and contexts. The band continues to accent travel to fantasy locations and visual mind excursions. Guest appearances by a saxophone player, an accordionist, a guitarist and a cat named Grapefruit! "...this duo seems to delight in defying categorization. Unusual percussion and their own ways of using synthesizers make them sound unlike anyone else." Robert Carlberg, Polyphony May 1983
