Salsa / Latin Jazz 12 MP3 Songs LATIN: Mambo, LATIN: Salsa Details: This 3rd CD titled "Amanecer" is for many of us the beginning of a new day. It is about working until the break of dawn to produce the finest results which in turn helps continue our daily living. Our new CD contains what we like to say is "a bag of goodies" with a variety of rhythms such as guarijas, mambos, rumbas, bomba, latin jazz, and the dance of romance, the bolero/balada. This CD is dedicated to all who love listening to music, whether we know how to dance the rhythms or just enjoy listening to music, to give back when the day has just begun or ended. It is also a tribute to many of us who have passed on and left a legacy of the greatest sound on earth. For this,"Amanecer" has been dedicated to the memory of Ray Barretto. GLV has been given the opportunity to encounter so many wonderful friends in our lives, that giving back is easy. We sincerely hope that "Amanecer" will be welcomed into everyone's heart, soul, and feet. It has upbeat tunes with lyrics describing characters and experiences in our lives. Anibal "Tito" Rivera and Tommy Matiulli, along with their wonderful musicians,Carlito Velazquez, William Paul, Giancarlo Anderson, Victor Rendon,and Awilda Santiago have collaborated their musical talents once again to resurface the unique energentic sounds of Grupo Latin Vibe in this new CD. We would venture to say it is a lot of fun.
