"I'm still very much a work in progress. Sometimes I think people think because someone is speaking at the front with a microphone or up on stage that they've got it all sorted. I'm still struggling with all sorts of things. I struggle with prayer, and sometimes I find myself trying to impress God with my words but my hearts desire is far from what Im saying.I do not claim to be the finished article,I am full of imperfections,and still learning to give it all to God, but I do know where I've come from and I know I wouldn't be where I am today if it wasn't for the finished work of Jesus Christ.. Everything I write about I've lived through and I hope people can relate to my journey and enjoy hearing what I have to say."
