Mp3 William Zeitler - Music Of The Spheres

DOWNLOAD HERE

Inspired by an ancient musical concept of the universe. the journey begins at earth, and travels through the planets to the great beyond. 12 MP3 Songs NEW AGE: Healing, NEW AGE: Meditation Details: William Zeitler has an extensive musical background. With the birth of his musical career at age five, his talents at the piano had him composing at age eight and has taken him through achieving his degree from the California Institute of the Arts. He put himself through school building and restoring harpsichords and pianos as well as performing. One of todays premier composers, William Zeitler has the incredible gift to translate the search for truth and our journey toward self-discovery into his music. Reveling in the wonders of the Cosmos, his Music of the Spheres portrays the souls journey from Earth into the realm of God. His compositions take us from the grandeur of the mythical land of Atlantis to the trials and tribulations of the quest for the grail and the wisdom we are all seeking. In addition to piano William is a virtuoso at the rare Glass Armonica. Hearing William Zeitler and his ability to communicate peace through his music experience you will not soon forget.
