Nintendo theme song covers with singing added?.Dope. 13 MP3 Songs ROCK: Math Rock, ROCK: Comedy Rock Details: Sacramento based Nintendo theme song geniuses The Advantage (theadvantageband.com) and New York City based independent lyricist/vocalist proGrammar (proGrammar.net) team up again as Advantage: proGrammar for their sophomore effort, Advprodisiac, a searing rock statement on carnal and romantic love and their connections to life, death, psychosis, medication and God. 13 of The Advantages brilliantly heroic takes on the theme songs for such classic Nintendo games as Castlevania, Super Mario Bros. and Metal Gear provide the rock-solid foundation for proGrammars insightful lyrics and soaring vocals. This time out theres no rapping, just songs reminiscent of every genre of rock produced over the past 40 years: arena, psychedelic, hard, metal, indie, art, and so on, all tied together by Grammars quirky, intelligent and humorous lyrics sung in his gorgeous and malleable voice. Clocking in at just over 27 minutes, this album takes listeners from the most prosaic to the most profound considerations of love. Try some of this aural Advprodisiac today! You wont be disappointed (Recorded by proGrammar at the Wreck Room. Mixed by Eric Ronick at Thin Man Studios. Mastered by Michael Sarsfield at Frankford Wayne.)
