Magnificent sounds of the Australian rainforest with the beautiful sounds of the bass flute, native flute and panpipes. 6 MP3 Songs NEW AGE: Environmental, NEW AGE: Yoga Details: Rainforest Flute is a beautiful and relaxing CD that is a collaboration between Flutist Ron Korb and the nature recordings of Australian artist Ken Davis. Ken has collected incredible nature sounds from the pristine Daintree rainforests and other areas of Australia for over 20 years. The album follows the rainforest in the course of a day from morning until evening. From light rain and mist to thunder and heavy downpours later in the day. Lovely sounds of Kookaburras, rufus owls, various birds and crickets are a feast for the ears. The instruments include the panpipes, bawu, native flute and bass flute. The effect is magical and is the perfect for Yoga, Tai Chi, Meditation, relaxation, or sleep.
