

Mp3 Matt Borghi & Ben Fleury-steiner - What The Night Leaves Behind

[DOWNLOAD HERE](#)

Two well established craftsmen of ambient atmospherics join forces to create a gorgeous paean to the fleeting night sky. 5 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Experimental Details: Slobor media co-owner and accomplished soundsmith Matt Borghi teams up in a long awaited collaborative with Gears of Sand founder, Ben Fleury-Steiner. Both artists have nearly 20 releases between them, but this one possesses a special sublime energy. Indeed, the results speak for themselves: Gorgeous, enveloping drones that reveal a complex array of moods. This is journey music, a mysterious voyage into a harbor of haunting darkness and waking light.... A fitting way to celebrate Gears of Sand's 30th release.
