

Orchestra Loop Set 1

[DOWNLOAD HERE](#)

This orchestra loop set contains 5 different arrangements made up of over 25 loops. Each arrangement contains the following sounds: Orchestra (layered with Timpani), Strings, Violin, Horn, and Flute. This enables you, the producer, to take certain parts out to build the structure of the song you are creating. There are 5 song folders in this set and each individual element of the arrangement is within these folders (example below). You will get the all orchestral loops separately so that you can modify the song to your liking. Build verses and choruses where you want! All loops are in .WAV format so they will work in most common samplers such as: Reason, Fruity Loops, Acid, etc. These loops are 100 Royalty-Free!
