Ac/dc Angus Young 55 Songs Guitar Tab Instant Pdf Download

DOWNLOAD HERE

Guitar TABs for 55 AC/DC songs in PDF format. Every chord and every solo, every string bend and every slide, every vibrato and every wah, is accurately transcribed. All guitar parts are included: rhythm, solo, special parts and bass. Includes a master index for easy navigation. MIDI files of each and every song are also included! Import these files into your preferred music program, transpose, change sound libraries, mix differently and enjoy your song-learning experience. This collection was compiled with focus on the highest-quality, crisp printing PDF files for music students and performing musicians. These are not scans of copyrighted books, but rather transcriptions created by a group of 4 professional musicians. For a full list of the songs included please browse to cuenote.com/pages/82003P.html
