

Inspiration Sounds - Pure Live Breaks Vol 1(acid/apple Loops/rex2/wav)

[DOWNLOAD HERE](#)

Pure Live Breaks features some of the freshest and phattest drum grooves around, played by International Session Drummer, Gary Widlake. These drumloops are totally current! They reflect the sound of the moment, which is earthy drums (just bass drum, snare, hi-hats and crash and no toms) to get a really raw and gritty sound. We have included a processed (effected) version and a dry version of each loop, to allow you flexibility. Only the most professional microphones and recording equipment were used in the production of this Sample Pack and everything was mastered professionally in our Pro Tools HD TDM Studio. About Gary Widlake: Gary Widlake has been an international session drummer for over 15 years. We are proud to be working with Gary, who currently works full-time as a session drummer in the United Kingdom. SPECIFICATIONS: - 270MB Content; - ACIDized Wave Files; - Apple Loops; - REX2 Loops; - Loops from 95 to 130 BPM; - Dry and Processed versions; - All loops sync to BPM; - PC/Mac Compatible; - Royalty-Free (no exceptions).
