Being a Club DJ in almost every Genre Of Music (since the young age of 16) has allowed DJV to grow Intelligent to these Different Types of Audiences; this intelligence is crucial to his Production because it defines his Music and Business Aspects. A lot of DJV supporters will agree that his Style is different, yet unique: You Can Always Tell Its a DJV Mix or a DJV Beat Listen To The Production, You Can Hear It HIS MUSIC: Whether it be Juke, Hip Hop, Crunk, Reggaeton, Hard House, or Dance you will notice 3 Elements behind his music: The Element of Trance, Hip Hop, and Juke. Trance has no specific type of instrument, but its best known for its amazing Build-Ups and Harmonies; Usually Synthesized, Trance sets a mood in almost every song. DJV is passionate for Melodies, so he uses the Elements of Trance to give his song Life. Hip Hop is known for its Lyric. The Powerful Words in a Hip Hop Song create a sense of Feel and Emotion. Its message comes from the Emcees Life, or Surroundings, and usually delivers a Positive, or Negative, Moral. Overall, Hip Hop is known for being Real. DJV uses the Element of Hip Hop in his music by giving you Real Life Situations that people can relate to. His Lyrics are sometimes Funny, Sad, Raw, or Uncut, but one thing that is always certain, is that its always the Truth! Juke is known for its amazing Edits. By Grabbing a single word, or phrase, Juke can create an entire song that is Energetic, Hyped, and Wild. Some people will agree that the main elements of Juke are 808 Bass, Hard Claps, and Toms. DJV loves hard-hitting music, so he incorporates Juke musics Bass in Every Commercial Production. The most used Juke Element in DJVs Music is the Edits. His Technique to Cut, Screw, Chop, Pitch, and Distort Music has given him a Unique Sound; A sound that everyone can distinguish as DJV.
