

Mp3 Bisan Toron - Backstage Reveries, Voice Sketches By Bisan Toron

[DOWNLOAD HERE](#)

Based on the voice as a melodic instrument, fusing western and middle eastern styles with a experimental edge. 8 MP3 Songs in this album (40:25) ! Related styles: WORLD: World Fusion, AVANT GARDE: Structured Improvisation Details: Bisan Toron was born in Syria and was raised in Paris and New York. She holds a degree in classical voice performance and a Masters in Ethnomusicology, with a focus on the fusion music of various refugee populations and Middle Eastern vocal traditions. Her voice work is an exploration of the ever-changing dialogue between the voice and the multi-textural aspects of soul, particularly through the art of improvisation. Bisan currently teaches and performs in the United States and Europe.
