Welcome to a new dose of alienation made soothing from the creators of Prozak for Lovers. 10 MP3 Songs EASY LISTENING: Lounge, EASY LISTENING: Mood Music Details: The 21st Century is turning out to be such a disappointment! All those 20th Century promises of pleasant living and more leisure time laid to waste by multi-national corporations and terrorists. But never mind that. Here comes the new Prozak for Lovers-- 10 songs of alienation and disenfranchisement made soothing and warm. Under the Prozak for Lovers Treatment, each song here opens itself up to reveal the beauty that lies within. From the hopeful magic of Lithium to a lethal, yet entirely approachable, Psycho Killer, from a drop-dead sexy Blister in the Sun to a completely inexplicable Alabama Song, this collection is truly a tonic for our times. Here is another chance for your hi-fi (or whatever playback device you may happen to own) to be happy...again. ---Ray Muirwood
