Details: Testamonal: "I have used your cd in countries where they do not have or cannot afford accompanists for dance class. This goes for countries like Colombia, Mexico ( not all the schools though), Dominican Republic, Czech Republic, some places in Germany and many times when I am asked spontaneously to teach in some city in the world and then I just whip out your cd, it saves me everytime." "Cirque du Soleil use it often to help with auditions." Marie-Josée Chartier Dancer, Choreographer, Instructor Subject: So You Think You Can Dance Canada // Next of Skin "We are sitting here listening to your CD its great and we would like to submit to our producers for consideration the entire CD." " Thank you for the amazing dance music! It makes my students fly and gives them an alternative for dance class that is so necessary " Susan Kendal [ttgmusic.com/geoffbennett](http://ttgmusic.com/geoffbennett)
