

Mp3 Raspberry Silk - Inner Voices

[DOWNLOAD HERE](#)

Powerful, delicate, tender and breathtaking by turns, these songs deal with thoughts and feelings - the things left unsaid, the spaces between the words. Think Pink Floyd and the London Philharmonic meet Dido and Judy Collins. 14 MP3 Songs EASY LISTENING: Soft Rock, ROCK: Progressive Rock Details: Raspberry Silk is not a band that is easily pigeonholed within today's musical environment - this is music that transports you to an entirely different dimension. Hitsession Review Pink Floyd fans will especially appreciate the potent mixture of Texan Kim Novak's organic vocal stylings and UK-based Milo Black's progressive-minded instrumentation and programming. Together these two unique artists are known as Raspberry Silk, and their introspective takes on life have resonated with fans in the form of Rock chart mainstays like "Regret," "Drowning," and the more hopeful "Wish For Tomorrow." For a rush of intricately woven and atmospheric soundscapes that support thought-provoking messages of life, love and loss, look no further than Raspberry Silk. Javamusic Review
