Afro-American contemporary music. Modern gospel with a palpable pop influence. 16 MP3 Songs

WORLD: African, GOSPEL: Traditional Gospel Details: The 7 Ambassadors have been singing together for more than 11 years. Formed way back in Nigeria while in college, then moved to the United States in 1998 and have been singing all over the States ever since. Today they represent a new style of gospel voice, blending primitive African rhythm and sound with rich, silky, modern harmony. They have 3 albums to their credit and the most current is quite an exceptional one. While in Nigeria they received recognition as the Best Gospel Artist in 1996/1997. After their tour of Sweden, they returned and went to Alabama for the PowerLife '99 Gospel Talent Search Show where they were awarded the 1st prize. Nearly all the music they sing are composed or arranged by group members. All the songs represent their own unique arrangements. They sing of love, unity, and the joy of life, as well as preach peace. They hope that this music provides their worldwide audience with a unique and joyful gospel music experience.
