Hard rock pop at its best, with flair 6 MP3 Songs ROCK: Hard Rock, ROCK: Progressive Rock Details: Uniting The Elements is an explosive New Rock band. Originating from Europe this group is destined for fame and fortune. They perform their songs with an outrageous power from fast and furious to those heartbreaking ballads. When UTE enters the stage nobody stays untouched. The band music crosses over to all nationalities. The audience in their 2002 concerts has enthusiastically embraced the band since last spring. The band members are Dawn (lead vocals and background), Ola (lead guitar) and Phillip (drums). The bass player left the group for family emergency. Uniting The Elements also creates a fast rising fan base with their appearance on radio, network television stations and worldwide press. They are being played on the biggest US radio stations such as NMW (NEW MUSIC WEEKLY), BDS (Billboard), FMQB, R&R, and college radio in the metro DC region. The CD sales have increased since their USA Concert tour Fall/Winter 2002 to 5000 units sold. The goal of the band and street team is to sell 20,000 units by spring 2003. The band played at the most popular nightclubs on the East Coast during a two-week tour to the USA. The following is the list of venues: The Vault Club, Jammin Java, Sportsman Pub, Paloma's, Aqua Restaurant, Bud's and AshantiLand. Uniting The Elements can be compared to popular band No Doubt, Creed and Puddles of Mud. Please pay close attention how Dawn sings and that she is a breath of fresh air for the new era of pop/rock female vocalist. Take a moment to listen to the following tracks: Crying, I Will Find A Way and Black Rain. The Winter of 2003 UTE became the opening act for Bonfire a band the mostly respect for selling over 5 million CD's, and DVD's. Without a doubt UTE is on their way to the top.....
