Epic electronic, breakbeat/ breaks 10 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Virtual Orchestra Details: Tom Salta writes and produces emotionally charged electronic and orchestral music for records, movie/TV and video game soundtracks. Combining his expertise in programming and mixing hit records with the highest production values, Tom Salta creates powerful melodies and hooks with a hybrid of lush orchestral strings and edgy, electronic rock music. Tom Salta's video game credits include the original scores for Ghost Recon: Advanced Warfighter (UbiSoft), Cold Fear (Darkworks/UbiSoft), Still Life (Microids), Sprung (UbiSoft), original tracks for Get On Da Mic (A2M/Eidos), the cinematics for Need For Speed Underground 2 (Electronic Arts) and Still Life (Microids), and co-writer of the main theme to Ghost Recon 2 (UbiSoft). Appearing under the artist name 'Atlas Plug' his music is also featured in Project Gotham Racing 3 (Microsoft), ESPN Major League Baseball 2K6 (Take 2), RalliSport Challenge 2 (Microsoft Game Studios) and Street Racing Syndicate (Namco). In addition to these composing ventures, Salta's hard-driving electronica and orchestral grooves grace many television shows, commercials and film promos including the Volvo S40 'Video Game' commercial, "Making of Spider-Man 2" on HBO, "Making of Anaconda 2" on Cinemax, NBC's "Third Watch," UPN's "America's Top Model," CBS' "Joan Of Arcadia," and MTV's "Making the Video" and "Tough Enough." Tom Salta also created the main theme for The Discovery Channel's "Wild Discovery" and the entire music branding of KTLA, Los Angeles' Warner Brothers affiliate. Most recently, Salta composed and produced the anthemic live orchestral soundtrack for Tom Clancy's Ghost Recon: Advanced Warfighter, the next installment in the smash-hit squad-based action franchise. The score was recorded with the Northwest Sinfonia Orchestra at the prestigious Bastyr Chapel in Seattle. For more information on Atlas Plug and Tom Salta, visit atlasplugand tomsalta.com.
