DUBSTEP CONSTRUCTIONS is the 10th release from the Producer Loops Sample Label. It features sinister and scary loops designed to grip your listeners and take them on a journey to the dark side! All content was produced using analogue synthesizers and drum machines. You'll find this content is perfect whenever you need some totally unique dark atmospheres to add to your mix. There is no repetition or attempt to sound like any other Sample Pack here. Everything is totally original. How many other Sample Packs feature evil pigs grunting in such a disturbing fashion? Whether you produce Dubstep or not, you will find that 'Dubstep Constructions' is extremely versatile. The content can also be used in genres like Drum and Bass, Industrial, Techno, Hip Hop, Trip Hop and many more styles besides, as well as being ideal for Horror Movies. Our ultra-experienced production team have pulled out all the stops to provide you the most original and inspiring content possible. Please listen to the MP3 demo as this features all of the loops included in this product.
