Scandinavian ethnic originals inspired by the ancient national epic, Eddan by three sisters from the land Islands, Finland. 19 MP3 Songs in this album (55:51) ! Related styles: WORLD: Scandinavian, WORLD: Eastern European People who are interested in Ravi Shankar Jan Garbarek should consider this download. Details: Original compositions inspired by the Scandinavian ethnic tradition and the ancient national epic, Eddan, are delivered in a fresh setting by three sisters from the land Islands, a Swedish-speaking autonomous region in Finland. The songs, instrumentation and musical expression have a strong connection to the pre-christian era of this idyllic territory in the middle of the Baltic Sea. Among the originals are traditional folk songs creatively arranged by this trio with subtle influences from Eastern European and Asian contemporary world music.
