The ultimate in piano arrangements, combining his wealth of experience with creativity, precision, and incomparable skill. 15 MP3 Songs EASY LISTENING: Mood Music, POP: Piano Details: Rusty Hudelson, Master Musician and Keyboard King, takes you to the limit with the ultimate in piano arrangements. After discovering his renditions, nothing compares. Combining his wealth of experience with creativity, precision, and incomparable skill, his recordings have become the standard by which others are measured. The Romancing the Tones Series brings back the music that audiences crave in an inimitable and unforgettable style. This 3-CD series highlights songs of the 40's, 50's, and 60's and 70's in beautiful mood music arrangements dedicated to romance and relaxation. Affiliated with the Creative Arts Department of South Plains College in Levelland, Texas, as Associate Professor of Music (vocal and piano), and Music Director and show host of his bi-weekly television show Country Jukebox recorded from the Tom T. Hall stage at SPC, Rusty is a world class pianist keyboardist. He has done extensive studio musician work, and has also appeared on a number of professional recordings, including 11 of his own. He has written over 500 songs. Rusty has traveled the United States entertaining crowds during the year. His country, gospel, rockabilly, and blues keyboard instructional videos (and accordion) are marketed worldwide through Music Message International (musicmessage.com). In addition to his Romancing the Tones nostalgia music and original piano instrumental series, which targets the Romance, Relaxation, and Mood Music markets, Rusty has a Motivational Music Series, comprised of original lyrics and music, for sales markets utilizing motivational techniques. Rusty is trans-generational and cross genred as he tickles the ivories, plays accordion and harmonica, emcees, and adds smooth vocals, highlighted by yodels in his country/western swing-a-billy band, The Knights of the West, which performs throughout the US. He directs Joyful Noise, a praise and worship weekly event. Rusty is often seen at the Cactus Theater in Lubbock, TX, or his own Tower Theater in Post, TX; he is a featured performer on the morning Shows at the KFYO radio station in Lubbock. Presently, he hosts his own radio show at KLVV 105.3: The Living Jukebox. (thelivingjukebox.com). 15 songs per CD: audiences are raving about his unique and beautiful music.
