

Mp3 John Milstead - Sides Of The Soul

[DOWNLOAD HERE](#)

country pop soulful 15 MP3 Songs in this album (55:50) ! Related styles: COUNTRY: Alt-Country, POP: Today's Top 40 People who are interested in Stevie Wonder Van Morrison Don Henley should consider this download. Details: John Milstead has gone from teaching himself piano to producing and writing his first solo album, "Sides of the Soul." John's fans have described him as having a voice that ranges somewhere between Don Henley and Stevie Woner. Each song offers something different for the listener but all have a soulful overall vibe. John's pristine and incredibly soulful vocals add a character to his tracks that make all of them very persuasive and addicting.
