Upbeat, inspirational songs based on the beautiful traditional Hebrew prayers, sung with sincerity and joy; blend of folk, pop, country, very easy to learn and sing along. 14 MP3 Songs FOLK: Modern Folk, GOSPEL: Contemporary Gospel Details: Prayer is a part of life for people of all traditions...with this cd, the second in the Teachable, Singable and Jewish series, Karen Daniel breathes new life into the traditional Jewish/Hebrew texts, with her original melodies and English interpretations. As you sing along, you'll be praying "in the Jewish way!" After several listens, you and/or your family, students, etc. will feel more comfortable in the synagogue as you learn the words and feel the spirit of Jewish prayer. "This is How We Pray" illustrates the many customs of Jewish prayer, from the special prayerbook to the covering of our eyes during the recitation of the Shema, in a fun, hand-clapping sing-along song. "Morning Has Come" is a moving thank you to the Creator for another new day. "Faith," a country ballad, talks about our longing for the Mashiach to come and fulfill the promise of a bright future for all of Israel.
