Details: Dear Friend, Are you (or someone you know**) inspired by those old stalwart hymns of the church? Do you enjoy hearing the organ, the King of Instruments produce music that ranges from meditative to festive? If so, I would like to kindly recommend that you listen to the samples of this CD (over there to your left). PLEASE NOTE that each arrangement is its own gem, specially crafted to support the true meaning behind the hymn texts behind each hymn tune. THEREFORE, make sure you try out all of the tracks to see what a glorious variety of sounds have been MADE FOR YOU on this UPLIFTING and INSPIRING CD. ----- ** Maybe youre saying Hymns! Theyre not for me, theyre for my Grandma! WELL, why not buy Grandma a Christmas gift that she will love? Really, even if you never buy her a gift, this is the one item that she would appreciate. In case she doesnt have a CD player, well, you know how cheap they are these days. And, it would make a nice gift from someone else. OTHERS WHO WOULD BENEFIT GREATLY FROM THIS CD: people who are sick, mourning a loss, shut-in, etc. (you would essentially be partnering with me in ministry . . . note the big discount for multiple CDs . . .) It has been amazing and humbling to see how my CDs have provided JOY, INSPIRATION, and COMFORT to many people in difficult circumstances. I know of several people who have been listening to this music (this CD or another one of my CDs) when they are literally on their deathbed. That, my friend, is a strange and somber yet joyful feeling. There is more to this music than my mind, my fingers, and a bunch of notes. GREAT FUND RAISER FOR CHURCH GROUPS (use email below for details) ----- Thank you so much for taking the time to listen. If youve made it this far, youre probably seriously thinking about buying a CD. Take the few seconds now and do it before you forget and have to waste your valuable time searching for it later. Also, note the very generous discount that Im offering if you buy more than one CD. Most of all, I hope your life will be full of peace and joy, and may you feel Gods presence through music and other ways. Sincerely Yours, J.
