Bring out the sun-drenched summer hits all year round with this fully loaded, ultra-automatic Reggaeton drum loops, basslines and FX sample pack. Containing all you need to roll your own high-grade Latin instrumentals, "Reggaeton Movements" is set to bring pure liquid platinum fire to the biggest clubs across the globe. To give producers the ultimate Reggaeton experience, we've finally exposed the heat with a stack of urban ammunition including 100 tempo specific drum loops, 52 sub shaking bass loops, 50 ultra-dramatic synth loops, with variations and progressions to help you quickly build up a solid arrangement. As an added bonus you also get 50 FX samples including gunshots, horns and even a lion's roar!) so you can be sure you have all the essential elements to fill the floor right through to the early hours. To make it even easier, all the loops are locked in at A minor, and supplied at 95 or 100 BPM, making this one of our most groove-ready, flexible packs released. You can also transform these sounds easily with your sampler, adding your own vibes, jams and styles, such as drum and bass, hip hop, house or even dubstep. To keep ownership of your beats every file is 100 royalty-free (meaning you can sell your beats without having to pay any royalties on the samples) and everything has been optimised, compressed and checked by our three-stage quality control process, guaranteeing you maximum impact and full integration with all the most popular production hardware and software. If your crew is heavyweight, and you represent the baddest sound in the city, this platinum-ready release provides the bullet-proof heat needed to inject your projects directly into the Reggaeton premier league. You can find this release in a large number of other Special Formats on our website including: .WAV (198mb) Ableton Live Pack (152mb) Acid Loops (198mb) Apple Loops (198mb) FL Studio (198mb) Garageband (198mb) Reason Refill (251mb) Rex2 Loops (144mb) Roland Fantom X (198mb) Roland MC909 (198mb) Roland MV8000 (198mb) Roland MV8800 (198mb) Stylus RMX Loops (144mb) WAV + REX2 (343mb) and many, many more! primeloops.com
