

Mp3 Groyse Metsi'e - Groyse Metsi'e

[DOWNLOAD HERE](#)

With musical styles ranging from break-bit to dub, funk, ethnic and jazz and progressive rock influences they play the Jewish nigunim and bring new life to timeless and holy music. 10 MP3 Songs WORLD: Judaica, ROCK: Progressive Rock Details: Groyse Metzi'e is a band that brings the new out of the old. A collective of borderline personalities with rare musical gifts and a flair for jewish spirituality, "Groyse Metzi'e" combines the power, groove and flexibility of today's international musical scene with the depth and purity of jewish "Nigunim" - the musical way to connect with the creator and become as one with all of creation. with musical styles ranging from break-beat to dub, funk, ethnic and jazz. We come to bring new life to timeless music and hopefully bring a smile and a tear to anywhere hearts are opening all over the world... NEW: Groyse Metzi'e track "Hey" was featured in the new JDUB records compilation - "Rooftop Roots Vol. II"
