Sanctified music for modernistic times, weaving the ancient Names of God in Hellenic and Hebraic into ten present-day hymns of rare grace and beauty. 10 MP3 Songs NEW AGE: New Age, WORLD: World Traditions The Sanctified Names Songs Details: Anjani Thomas' celestial contralto illuminates the ancient names of God on ten original songs of praise. Lovers of inspirational music will find these renderings of the sacred names of the God of Gods, in the tradition of the prophets and sages, to be a quickening call to energy, inspiration, devotion and spiritual sustenance. With majestic and heartfelt compassion, and striking, all-embracing reverence, Anjani's voice is like hearing the music inside the temple of the human heart. Her gorgeous classical guitar accompaniment highlights several tracks, including the vocal tour de force, Kyrie. YHVH and Jehovah celebrate the glory of salvation. Ari Shemot is a delightful, unexpected samba sung in English and Portuguese. This magnificent collection of present-day sacred hymns is as inspiring as it is inspired. Words are good, but they are not the best; the spirit in which we act with the music of the soul--this is supreme over all.
