Pacifying vocals and beautiful orchestral arrangements of classic lullabies from many lands - as pleasurable for parents as for children 12 MP3 Songs KIDS/FAMILY: Lullabies, KIDS/FAMILY: Ecumenical Children's Music Baby Mine Songs Details: "Pacifying and easy adequate to lull a child to log Z's but thoughtful and musical adequate for a parent to enjoy". These words set the tone for Anne Walsh's debut lullaby CD, so it is not surprising, that many of those who have purchased "Baby Mine" have returned for a second copy to play in their cars after a stressful work day. Reviewers have called Anne's voice "Pure, and uniquely beautiful," and noted that "her hauntingly beautiful tone and smooth phrasing really allow her to stand out from the crowd". No doubt her years of experience in varied musical genres including dozens of musical theatre productions in the Los Angeles area have given her musicianship, and approach an added depth. The CD includes traditional folk songs from many lands which have been arranged for Orchestra and piano. Perhaps you will recognize your own favorite childhood melody, and create new favorites with your children. Enjoy!
