Learn How To Set Up Your Own Personal Blog For Massive Brand Building No Technical Knowledge Required! In the Celebrity Blogging video series, you will learn how to set up your own Personal Blog or authority website within minutes and brand yourself as an expert or celebrity! Video #1: How To Get Started with Celebrity Blogging and What You Need Beforehand (4 minutes and 46 seconds) Before you begin any task or any business plan, you should know you need to expect before jumping on the bandwagon, such as basic concepts and tools you need. Fortunately with this Celebrity Blogging plan, you wont need to invest much money upfront, so you can easily start branding your name quickly with many blogs. Video #2: Creative Ways to Find a Catchy Domain Name (3 minutes and 43 seconds) Are you sick of having to sit around trying to think of catchy domain names and when you find one you like, you find out that it is not available? Well show you tools that you can use to find creative domains and know whether they are available or not, so you can get a domain name and start creating your blog. Video #3: How to Find Cheap and Quality Web Hosting (10 minutes and 27 seconds) There are thousands of web hosting companies out there. Not all are created equal, which comes to a question that maybe on your mind Which one is good and which ones should you avoid? To answer that question, you will learn in this video what you should look at for when finding a good host and what you should look out for to avoid the bad ones. Then you will learn where to find extremely low bargain deals for web hosting that you didnt know existed. Video #4: How to Setup WordPress on Cpanels Fantastico Platform (3 minutes and 46 seconds) Most web hosting companies use the Cpanel hosting panel, which generally comes with Fantastico, which is a software containing many free scripts that you can easily install on your website. In this video, youll learn step by step how to install WordPress using Fantastico. Video #5: How to Setup WordPress Manually on Any Site within 5 Minutes (12 minutes and 19 seconds) In relation to video 4, lets say that you dont have Cpanel on your web hosting account? Well you dont have to worry, because I will show you in this video how to install WordPress on any website even if it doesnt have a Cpanel hosting panel. Our goal is to cover all bases

so we dont leave you in the dark if you dont have Cpanel. Video #6: Where to Find WordPress Themes and How to Install Them (8 minutes and 45 seconds) Want to know where you can find quality WordPress Themes so you can change that boring look of the original WordPress look? In this video, youll be pointed to places with quality WordPress Themes, and youll also learn how to correctly install them. Video #7: Where to Find WordPress Plugins and How to Install them (3 minutes and 15 seconds) Plugins act like pieces of software that work together with WordPress. There are thousands of free WordPress plugins on the net that you can use to customize your blog. Installing WordPress Plugins is very similar to installing the Themes, however slightly different, but youll learn how to do just that in this video. Video #8: How to Customize your WordPress Themes (6 minutes and 45 seconds) Customization of your Blog look is optional, but highly recommended especially when you are trying to brand yourself. You dont want to look like everyone else do you? Right. Youll learn how to brand your name and domain name into the header, footer, and other areas of the WordPress theme without being required to know how to read the PHP code. Video #9: Ways to Build Backlinks to Your Blog to Make you Stand Out and Drive Traffic (7 minutes and 21 seconds) Building backlinks to your blog, tells the search engines that your blog is important if done right. Youll learn how to gain high quality backlinks without blackhat or spamming techniques. These white hat techniques will allow you to not only get better rankings on the search engines, but drive real traffic directly through those backlinks and were talking about high quality traffic here! Video #10: Top SEO Plugins to Optimize Your Blog (5 minutes and 16 seconds) So there are thousands and thousands of WordPress plugins out there, and you may not know which ones to choose. No worries. Well point you to several that you can use to optimize your blog better. Video #11: How to Write Blog Posts Wisely (9 minutes and 3 seconds) Writing a blog post cant be boring; its gotta engage the reader. Whether you write well or not, youll learn how to write blog posts so your readers will come back wanting more. Youll also learn how to add more life to your posts by using royalty free stock photos to illustrate your points. At the same time, you want your blog posts to be first, reader friendly, but of course search engine friendly. Youll learn more about that in this video. Video #12: Building other Blog Pages for Branding Purposes (5 minutes and 47 seconds) Want to know how to add pages to your blog? Well learn how to do just that as well as how to write your About Me page professionally.
