

Mp3 A.satori - Healing Sounds Of Tibet

[DOWNLOAD HERE](#)

Mysterious sounds of Tibet featuring famous Tibetan singing bowls bells, guttural singing and Teta-rhythms. Excellent for relaxation, healing meditation. 8 MP3 Songs NEW AGE: Healing, WORLD: World Beat Details: Anjey Satori was born on April 6, 1969, in the Ukraine. Anjey was interested in mysticism and esoteric teachings of the East from his early years. He worked as an organizer of special courses and seminars at the Institute of Nontraditional Medicine and has had enough experience to teach the basics of bioenergy and healing. The pseudonym "satori" (insight) Anjey thought of while practicing meditation and yoga. Once the "expansion of conscious" happened and there was an experience of "satori" described in classical Zen-Buddhist texts. The feeling of inner light and bliss lasted for several days. It was the meeting with his innermost Self. Anjey Satori's music is intended for meditation, healing and anyone travelling an inner journey. Each composition creates a harmonious balance of music and spirit. With the series of meditation, natural voices, sounds of Tibetan singing bowls you get maximum benefit out of the music.
