"Are you sick & tired of figuring out on how to be a good graphic designer without having to fork out a HUGE sum of money?" "Here's How You Can Have Your Own Graphic Design Created Quickly & Easily With These Step-By-Step Video Tutorials" "In Just A Few Hours or Days Following My Step-By-Step Online Video Tutorials, I'm Confident You Will Be Able To Start Editing & Manipulating With Graphic Design" Date: Tuesday, July 19, 2011 From: (Your Name) Subject: Graphic Design Simplified With Gimp

Dear Friend, Do you want to start creating your own graphics using GIMP, but have no idea how to get started? Are you already a graphics expert but struggle when you try to de-code the tricks and unusual interface of GIMP? Well I am about to reveal the step-by-step guide to becoming a GIMP guru and make your graphics stand out from the crowd in under 3 hours! GIMP is an amazing Open Source graphics program that is practically a direct clone of Adobe Photoshop. This incredible graphics program is FREE to download and use and the quality of graphics that GIMP produces is superior to any program that costs \$200, \$400 or even \$600 dollars! Its really no surprise that GIMP has become a favorite with seasoned experts and graphic newbies all over the globe. But there is one thing that really holds most people back from becoming a GIMP master learning how to use it can be overwhelming even for graphic designers who use these types of programs on a daily basis. A Simple, Easy-To-Follow, And Entertaining Video Tutorial On How To Become A Seasoned Pro At GIMP You can discover the secrets to create top-notch graphic work in under 180 minutes! Even if you have never used any other graphics program my video tutorial will allow you to discover all the little tricks, step-by-step. You will be amazed at your own abilities and you will be amazed at how easy it really is (once you know exactly what you are doing). With my GIMP Video Series I leave no stone unturned. I will show you every tool, every trick and every shortcut you need to start designing amazing graphics. Just take a second and look at the complete GIMP Video Series and what doors it can open for you "Graphic Design Simplified With GIMP" This video coaching series come in the form of 28 videos that you view on your computer.
